## Product description

Sidehinged window with frame out of wood and option equipped with aluminum cladding

## NorDan Certification

Quality management system	ISO 9001
Environmental management system	No / ISO 14001

## Construction product declaration (CPD)

Has a construction product declaration been made for the product	<a href="#">NorDan NTech One Sidehinged -ZS (Without Alu Clad)</a> <a href="#">NorDan NTech One Sidehinged -ZS (With Alu Clad)</a>
% of declared material content:	100%
Are there substances on the candidate list present in the article?	No substances present to our knowledge in a concentration of > 0.1% by weight
The concentration of included substances has been calculated at:	Component level

## Raw material

Proportion of renewable material in the article	23.74% by weight
Is wooden raw material certified	Yes
Which certification system is used for products	PEFC
How large proportion is certified	70 ≤ 100% certified
Does the article contain type of wood or origin in CITES appendix of endangered species	No
Proportion of recycled material in the article	Total 17.17% by weight, 4.192% post-consumer, 12.982% pre-consumer by weight

## Environmental product declaration - EPD

Is there an environmental product declaration been made for the product?	NO
Registration number / ID-number for EPD:	N/A
What product category rules have been applied	N/A
Is the EPD published:	<u>N/A</u>

## Environmental impact during product life cycle Module A1-A3 according to EN15804 (Without / With Aluminium cladding)

Climate impact (GWP100) [kg CO2-ekv]	N/A
Ozone depletion (ODP) [kg CFC11-ekv]	N/A
Acidification (AP) [kg SO2-ekv]	N/A
Ground-level ozone (POCP) [kg C2H4 -ekv]	N/A
Eutrophication (EP) [kg PO43- -ekv]	N/A
Renewable energy (TPE) [MJ]	N/A
Non-Renewable energy (TRPE) [MJ]	N/A

## Waste management

Is reuse possible for whole or parts of the article when it becomes waste	Yes	During warranty time 100% can be reused
Is material recovery possible for whole or parts of the article when it becomes waste	Yes	Without alu clad: 70.148% by weight With alu clad: 70.147% by weight

Is energy recovery possible for whole or parts of the article when it becomes waste	Yes	Without alu clad: 29.852% by weight With alu clad: 29.853% by weight
<b>Systems for environmental buildings</b>		
 BREEAM®	Mat 01	Nó EPD isn't available for the product today.
 BREEAM®	Mat 03	Yes <a href="#">FSC</a> / <a href="#">PEFC</a> certificate
 BREEAM® NOR	MAT 01 (A20)	Yes No substances present to our knowledge in a concentration of > 0.1% by weight
 BREEAM® NOR	MAT 01 (Ecoproduct / Swan ecolabel)	No ECOproduct isn't available for the product today. NorDan Ntech One Sidehinged - Passive is available as Swan Ecolabel.
 BREEAM® SE	Mat 07	Yes A public construction product declaration (CPD) is available for the product, it is BASTA registered and assessed by both Byggsvarubedömningen and Sunda hus.
	3.0 Ind 13	Yes A construction product declaration (CPD) is publicly available for the product.
	3.0 Ind 14	Yes The product does not contain U-, R- or endocrine disruptors according to set requirements and LCI values are not exceeded.
